

FIRST CLASS CHILDREN'S ENTERTAINMENT

"THE JITTERBUGS" are now performing to SOLD OUT CONCERTS !!!!
They are the newest sensation in children's entertainment. The show has been described as a Beetles Concert, even though "they're bugs", "JITTERBUGS". The children go wild, they love the bug theme & all the friendly characters in the show. This is a non-stop, interactive musical extravaganza. First class children's entertainment!!!!

The Jitterbugs are in their 10th year of performing Australia wide. The show is filled with non-stop entertainment and educational segments which encourage interactive audience participation. The Jitterbugs characters through song and dance teach the children from an early age the importance of caring for our environment and bugs. Hug Bug & Snug Bug the sensational Lady Bugs, Jessie the gor-jess butterfly, Feebee the boogying bumble bee, Snappy the Happy Crocodile, Hopsie the Ballerina Bunny and Frogodile all want to contribute to our beautiful earth and teach the children the importance of caring for our world and caring for us bugs. We are the beginning of the food chain. Without us bugs there would not be any fish or birds.

Previous performances include major venues - Darling Harbour Australia Day 1999 & 2000, Darling Harbour along with High 5, Parramatta Park Australia Day 1999 & New Years Eve 1999-2000 Carols by Candle Light The San Hospital Wahroonga 2000 & 2003, Parramatta Olympic Festival 2000, Birkenhead Point Easter 2000. These are just a few of our major concerts that we have been involved in.

"THIS IS A SENSATIONAL SHOW NOT TO BE MISSED"
